SHIMOGA DISTRICT.

Notification No. V. P. C. 2002—35-36, *dated* 13*th March* 1938.

Errata.

Please read Mammi Sab *alias* Mahammed Sab for the words "Mahamad Sab" printed as Serial No. 7 in Column No. 4 against Nagar Village Panchayet, on page 90, Part III-3 of the *Mysore Gazette*, dated 14th January 1937.

M. SESHADRI,
Deputy Commissioner.

SHIMOGA TOWN MUNICIPALITY.

Notification No. C. 55—37-38, *dated* 3*rd March* 1938.

It is hereby notified for the information of the public that the Town Municipal Council, Shimoga, will introduce the following "Dog Licensing Rules and Bye-laws" Framed under Section 46 (h) read with Section 61 (b) Clause 4 and Section 48 (I) Clause I of the Town Municipal Act VIII of 1933. Any inhabitant of the Municipality objecting to the introduction of the above said "Dog Licensing Rules and Bye-laws" may within one month from the date of the publication of this notice in the *Mysore Gazette*, send his objections in writing to the Municipal Council. Any objections received thereafter will not be considered.

DOG LICENSING RULES AND BYE-LAWS.

Rules and Bye-laws framed for regulating grant of license to Dogs in Shimoga Town Municipality, under the Power vested in the Municipal Council under Section 46 (h) read with Section 61 (b) Clause VI and Section 48 (1) (i) of the Town Municipal Act VIII of 1933.

Rules (Section 46 (h) Read with Section 61 (b) Clause VI.)

1. *Short Title.*—These Rules and Bye-laws shall be called as "Dog Licensing Rules and Bye-Laws" of Shimoga Town Municipality.

2. *Definitions.*—In these Rules and Bye-laws, unless there is something repugnant in the subject or Context,

(*a*) "The Act" means the Mysore Town Municipal Act, VIII of 1933.
(*b*) "Section" means the section of the Act.
(*c*) "President" shall include the Vice-President.
(*d*) "Dog" shall include a bitch and all pups of and above the age of three months.
(*e*) "Owner" shall include any person in charge of the Dog for the time being.
(*f*) "Year" means the official year, and
(*g*) Any word or expression which is defined in the Act and is not defined herein, shall carry the same meaning as defined in the Act.

3. (*a*) Every owner of a Dog shall, within 15 days after the introduction of these Rules and Bye-laws into this Town and thereafter within 15 days after the commencement of every year beginning with the 1st of July or within 15 days of his newly coming into possession of the Dog, apply to the President, in the form annexed in Schedule A; for a License:

Provided that no License shall be necessary in respect of dogs belonging to *Bona fide* Travellers passing through the Municipality or of casual residents staying within the Municipality for not more than "**10 days.**"

(*b*) A fee of Rupee One is prescribed for a License per year or a fraction thereof, which should be paid along with the application.

(*c*) The President shall grant a License in the form mentioned in Schedule "B" unless he finds it necessary to refuse it for any cause that he deems fit.

(*d*) If the license is refused the fee paid by the Applicant for the license shall be refunded.

(*e*) If the License is granted, the President shall issue along with the License a Badge engrossed with a number and shall recover annas two, towards its cost exclusive of the License fee.

(*f*) The President shall have power to suspend or cancel the license once granted for any reasonable cause.

(*g*) The Badge shall always be fixed to a coller on the Dog for which the License has been granted. Any dog found without a coller and the Badge is liable to be dealt with under Section, 135, sub-section 2, 3, 4 and 5 of the Act, in addition to the liability of the owner to pay double the prescribed fee.

(*h*) If at any time during the continuance of the License any dog changes ownership, the person who becomes the owner by such change shall get the License duly transferred by the President on payment of a fee of annas eight. Similarly if at any time during the year the Licensed dog dies, the License already issued may be got transferred by the owner to any other dog belonging to him on payment of a fee of annas eight. Death or transfer of the Licensed Dog during the term of the License, shall not entitle its owner to any refund of fees.

(*i*) Every licensed dog while in the streets and not being led by the owner shall be muzzled in such a way so as to allow the dog freely to breathe and to drink while effectively preventing it from biting.

(*j*) Every owner of a dog who has obtained a License shall at all times be bound to produce the dog or license, or both on demand by the President or Chief Officer or Sanitary Inspector, and if they so direct in writing be bound to produce the dog before any officer of the Veterinary Department for Examination, and on failure to do so be liable on conviction to a fine not exceeding Rs. 25 before a Magistrate.

(*k*) All sums due under the foregoing Rules are recoverable from the owner under the provisions of the Chapter VIII of the Act.

Bye-Laws (Section 48 (1) (i).

(1) Every owner who is in possession of a Dog in this Municipality shall inform the same in writing to the President of the Municipal Council, within 15 days after the introduction of the aforesaid Rules and Bye-laws into this Town, and thereafter, within 15 days after the commencement of every year begining with the 1st of July or within 15 days of his newly coming into possession of the Dog, and obtain a License as required under the above Rules.

(2) Every owner in possession of a Dog, after the time fixed in Bye-law No. 1 *supra* shall at all reasonable hours allow the President, Chief Officer, Sanitary Inspector or Municipal Mutsaddi, or any other person authorised in this behalf, free access to his house or any place wherein the dog or dogs are ordinarily kept and give every facility for inspecting the same for the purpose of checking the correctness of the information given by him or for any other purpose. He shall also on demand by the abovesaid person produce forthwith the dog or dogs in his possession for inspection.

(3) Every owner who violates Bye-law 1 or 2 shall be liable, on conviction by a Magistrate, to a fine not exceeding Rs. 25.

Notification.

The Bye-laws framed under Section 48(1) (b) (ii) and (iv) of the Mysore Municipal Regulation, 1933, for regulating, licensing and inspecting the conduct of bakeries, sweetmeat shops, hotels, restaurants, tea and coffee houses, ice and aerated water manufacturing places, are hereby published for general information. These by-laws will come into force from the date of sanction of Government. Objections, if any, may be made in writing to the President, Shimoga Town Municipality, within one month from the date of publication in the Gazette, *vide* Section 62 d(c) of the Town Municipal Act, 1933.

(Shimoga Town Municipality.)

Draft Bye-laws framed under Section 48 (1) (b) (iv) of the Mysore Town Municipalities Act of 1933 for regulating, licensing, and inspecting the conduct of bakeries, sweet-meat shops, hotels, restaurants, tea shops, coffee clubs or houses, ice and aerated water manufacturing places and dairy in the Shimoga Town :—

Hotels, Restaurants, Tea and Coffee Houses.

Definition.—Hotel means and includes any eating house or place where cooked rice, mutton, poultry, vegetables, dhall and confectionery or refreshments including chappaties, rice cakes, tea, coffee, etc., are prepared and sold for price to boarders, travellers and other persons.

Restaurant means and includes any building or part of a building where coffee, tea, cocoa, and other non-intoxicating drinks and universe articles or prepared food are provided at a price.

Tea shop and coffee club mean and includes any building or part of a building where tea, coffee, cocoa and other non-intoxicating drinks and other prepared articles of food are provided for price.

All hotels, restaurants (other than a student hostel under public or recognised control) within the Shimoga Town shall be subject to license by the President of the Municipality.

2. Any person using or wishing to use any premises, for the above purposes shall apply to the President, Shimoga Town Municipal Council, for a license.

3. Applications must be made to the President in writing within a fortnight in the case of a place to be newly opened before such place is proposed to be opened and within 15 days of the commencement of each official year for the renewal of the license once granted under the Bye-law.

4. The President may in his discretion on the advice of the District Health Officer grant, suspend or refuse such license for infringement of any of the conditions attached to the license whenever on grounds of Public Health or Safety he considers such action necessary.

5. The following fees shall be charged for licenses granted under this bye-law.

	First Class.		*Second Class*	
	Rs. a. p.		Rs. a. p.	
Hotel ...	20 0 0	per annum	15 0 0	per annum
Restaurants ...	15 0 0	,,	10 0 0	,,
Tea shop and coffee club.	10 0 0	,,	5 0 0	,,

N.B.—The orders of the President are final with regard to classification.

(*a*) Provided that if the applicant satisfies the President that the Hotel, Restaurants, tea shop or coffee club is opened for a special occasion or for a period not exceeding one fortnight, the President shall on the recommendation of the District Health Officer have power to exempt the applicant wholly or partly from the payment of fees.

(*b*) Provided also that no refund shall be made of the amount already paid on account of such licenses except under the President's orders recorded in writing.

(*c*) No claim for refund shall be admitted after one month from the date of payment or from the date of service of endorsement.

6. The license is not transferable either as regards the person to whom or the premises for which it is granted. The licensee shall cause his license to be affixed in some conspicuous part of the said premises with his name and residential address correctly noted.

7. The license shall also be liable to suspension or revocation if the premises are so kept on the trade or any operation connected with it so carried on as to be in the opinion of the District Health Officer a source of nuisance or danger to life, health and property.

8. Whoever without obtaining a license as required by this bye-law uses any place or building for a hotel, restaurants, coffee and tea houses shall be liable to a fine not exceeding Rs. 100 and not less than double the prescribed license fee or further fine which may extend to Rs. 5 per day after conviction during which he continues to use such place for such purpose.

9. If the holder of any license under this bye-law employs any person or persons to be in charge of the place for which license is granted such person or persons shall be equally liable with the licensee for the observance of all the conditions attached to the license.

10. No person shall be employed in any hotel, restaurants, tea and coffee houses for any purpose whatsoever unless he produces a certificate from a person not below the rank of a Sub-Assistant Surgeon to the effect that he is free from a contagious, infectious or loathsome disease at the time of his first employment.

Such Certificate shall thereafter be renewed at the beginning of every official year before the 15th of July. The certificate shall be produced for inspection on demand by the District Health Officer, President, Vice-President and the Chief Officer.

Conditions.

All premises used as hotels, restaurant, tea and coffee houses shall be sufficiently spacious and suitable for the purpose.

2. No part of a hotel, restaurant, tea and coffee houses shall be within 30 feet of any cess-pit, latrine or in a portion where bad odours wafted therefrom shall reach it, such as cattle shed, manure heap, etc.

3. No place used as hotel, restaurant, tea and coffee houses shall be used for any purpose whatsoever. The proprietor or his employee shall not live in the same premises used as hotels, restaurants, tea and coffee houses.

4. The premises shall have a water connection from the the public water supply. The receptacles for the storage of water shall be placed on a clean platform one foot above the ground level and provided with a tap for the water to drain off. They shall also be covered with a tight fitting lid and shall be regularly cleaned.

5. The wall of every such premises shall be rendered impervious by cement plastering or otherwise to the extent of four feet from the ground level and the rest plastered with chunam and white washed half yearly or as often as required by the President or Vice-President and District Health Officer and the Chief Officer. The whole floor shall either be cemented or paved with Cuddapah or other stone slabs with cement pointing and sufficient drainage shall also be provided.

6. No person shall use in connection with restaurants, tea and coffee houses as kitchen, refreshment room or bed room, a place surcharged with offensive smell arising from a privy, urinal, cess pool, sewer or any other insanitary source and he shall locate the kitchen at such a distance from the room where customers are served, that such room shall be entirely free from smoke or any unpleasant and oppressive smells.

7. The kitchen and bath room shall be well ventilated and provided with proper smoke vents, so that smoke may not pervade into other dwelling houses. All other rooms shall also be well lighted and ventilated.

8. Every licensee shall keep the premises very clean and shall thoroughly wash or cause to be washed its flooring, every utensil and furniture at least twice daily. All metallic vessels used in the cooking or for keeping food stuffs shall have continual lining of tin and no led vessels of any sort shall be used.

9. The proprietor or the person in charge of bakery or sweetmeat shop shall provide suitable receptacles or vessels as may be required for keeping all prepared cooked food stuffs, pastery sweetmeats, confectionery or preserved or dried or cut fruit in such manner as to prevent their contamination by dust, flies or vermins or anything likely to affect them in such a way as to make them injurious to human health and shall keep all such articles of food in such receptacles or vessels in a cleanly or wholesome condition to the satisfaction of the President, Vice-President, District Health Officer and the Chief Officer.

10. All cups and saucers, etc., used for serving shall be sterilised in boiling water after each service.

11. There must be a separate platform with small gradients having a cement concrete surface or Cuddapah slabs for the purposes of washing the utensils, etc., with a separate tap for this purpose.

12. All refuse and dirt in and about the premises shall be swept off and the drains well-flushed and that at all times maintained in clean and tidy condition.

13. There shall be sufficient latrine accommodation and the latrine shall be kept clean and night soil covered with earth or ash and removed daily. The person in charge shall also provide and maintain in good repair and use a metallic sanitary refuse bin with a lid which should be kept in a suitable place. He shall use this refuse bin for the storage of waste food and sweepings of floor and empty the contents daily into the nearest dust bin.

14. All premises and all cooked and uncooked food stuffs, vessels and furniture, at all times while such places are open, shall be allowed to be inspected by the President, Vice-President, District Health Officer and Chief Officer and Sanitary Inspector or other officer authorised by the President. All directions that may be given by them in writing for securing cleanliness, light and air shall be complied with. Samples of any kind of tea, coffee, cocoa and other non-intoxicating drinks or any other articles of food manufactured therein may be taken, such samples shall be examined by the District Health Officer or the District Medical Officer and if a certificate from him indicates that such sample is unfit for human consumption, it shall be evidence that it is so unfit until the contrary is proved.

15. The licensee or the person in charge of the hotel of the sweetmeat shop shall allow only servants who are dressed in clean clothes to attend on the customers.

16. He shall provide stock or offer for sale only such articles of food and drink as are fresh, good, wholesome and fit for consumption.

17. The President or other officers referred to in condition (14) shall destroy or cause to be destroyed from the premises of Hotel or Restaurant tea and coffee clubs articles of food or drink which are unsound, unwholesome or unfit for human consumption and if necessary prosecute the licensee for breaking the bye-law.

18. No person shall with unwashed or unclean hands touch any articles of food or drink placed for sale.

19. All causes of dangerous or infectious diseases (such as Cholera, Plague and erruptive fevers such as small-pox, chicken-pox, measles and fevers of more than 7 days duration) occuring in any Hotel, Restaurant or Tea Shops shall be notified to the President forthwith and also Chief Officer and Sanitary Inspector by the Proprietor or the person in charge.

20. If a case of small-pox, cholera, plague, Influenza or relapsing fever occurs in or near the Hotel or the Restaurant or Tea shop, the proprietor shall close the same as the President or the District Health Officer deems it necessary.

21. The proprietor or the person in charge of a hotel shall not allow persons to dine in any other place but the dining hall.

22. The tables on which the customers are served shall be painted with white paints to remove the grease.

23. All papers and leaves used for wraping bread, sweets, etc., shall be clean and stored in a cleaned rack.

24. Bread, sweets, etc., shall be stored and kept for sale in glass show cases with glass lids to prevent contamination from flies, dust and bad odours.

25. Any person guilty of the above bye-laws except the one referred to in clause (8) shall be punished on conviction to a fine not exceeding Rs. 50 and the breach of the above bye-laws will also entail suspension or revocation of the license.

Shimoga Town Municipality.

Draft bye-laws framed under Section 48 (1) (b) (iv) of the Mysore Municipal Act of 1933 for regulating, licensing and inspecting the conduct of Bakeries, Sweetmeat shops, Hotels, Restaurants, Tea shops, Coffee clubs or houses, Ice and Aerated water manufacturing places and dairy in the Shimoga Town :—

All places of the manufactured ice and ærated water shall be subject to license within the Municipality by the President.

Any person using or wishing to use any premises for the above purpose shall apply to the President, Shimoga Town Municipality, for a license.

Applications must be made to the President in writing, in the case of a place to be newly opened within a fortnight before such place is proposed to be opened and within 15 days from the commencement of official year for the renewal of the license once granted under the Bye-law.

The President may in his discretion on the advice of the Health Officer, grant, suspend or refuse such license for infringement of any of the conditions attached to the license of public health or safety, if he considers such action necessary.

No place shall be used for the manufacture or preparation for sale of ice unless approved by the President for this purpose.

The following Fee shall be charged for Licenses under this Bye-law.

	First Class.	*Second Class.*
	Rs.	Rs.
1. For the manufacture of Ice	... 5 per annum	...
2. Aerated water Factory	... 10 ,,	5 per annum.

N. B.—The orders of the President shall be final with regard to classification.

(*a*) Provided that if the applicant satisfies the President that it is opened for a special occasion or for a period not exceeding one fortnight, the President shall, on the recommendation of the District Health Officer, have power to exempt the applicant wholly or partially from the payment of the fee.

(*b*) Provided also that no refund shall be made of the amount already paid on account of such licenses, except under the President's order recorded in writing.

(*c*) No claim for refund shall be admitted after one month from the date of payment or from the date of service of endorsement.

6. The license is not transferable either as regards the person to whom or the premises for which it is granted.

The licensee shall cause his license to be affixed in some conspicuous part of the said premises, with his name and residential address correctly noted.

7. The license shall also be liable to suspension or revocation if the premises are so kept, or the trade or any operation connected with it, so carried on as to be in the opinion of the District Health Officer a source of nuisance or danger to life, health and property.

8. Whoever without obtaining a license as required by this Bye-law, uses any place for the purpose of Aerated Water or Ice shop, shall be liable to a fine not exceeding Rs. 100 and not less than double the prescribed license fee or further fine which may extend to Rs. 5 per day after conviction, during which he continues to use such place for such purposes.

9. If the holder of any license under this Bye-law employs any person or persons to be in charge of the place for which such license is granted, such person or persons shall be equally liable with the licensee for the observance of all the conditions attached to the license.

10. No persons shall be employed in any Ice or Aerated shop for any purpose whatsoever, unless he produces a certificate from a person not below the rank of a Sub-Assistant Surgeon to the effect that he is free from a contagious, infectious or loathsome disease at the time of his first employment.

Such certificates shall thereafter be renewed at the beginning of every official year before the 15th of July. The Certificate shall be produced for inspection on demand by the District Health Officer, President, Vice-President and the Chief Officer.

Conditions.

No part of an Ice or Aerated Shop shall be within 30 feet of any cess pit or latrine or in a portion, where bad odours wafted therefrom reach it.

2. No place used as an Aerated or Ice Factory shall be used for any other purpose whatsoever. (The proprietor or his employees shall not live in the same premises used as Ice or Aerated Factory.)

3. All premises used as Ice or Aerated Factory shall be sufficiently spacious and suitable for the purpose.

4. The premises shall have a water connection from the public water supply. The receptacles for the storage of water shall be placed on a clean platform, one foot above the ground level and provided with a tap for the water to be drained off. They shall also be covered with a tight fitting lid and shall be regularly cleaned.

5. The wall of every such premises shall be rendered impervious by cement plastering or otherwise to the extent of 4 feet from the ground level and the rest plastered with chunam and white washed half-yearly or as often as required by the President or Vice-President and District Health Officer and the Chief Officer. The whole floor shall either be cemented or paved with Cuddapah or other stone slabs with cement pointing and sufficient drainage shall also be provided.

6. No person shall use in connection with Ice or Aerated Factory, as kitchen, refreshment room or bed room, a place surcharged with offensive smell arising from a privy, urinal, cess pool, sewer or any other insanitary source and he shall locate the kitchen at such a distance from the room where customers are served, that such room shall be entirely free from smoke or any unpleasant and oppresive smells.

7. The kitchen and bath room shall be well ventilated and provided with proper smoke-vents, so that smoke may not pervade into other dwelling houses. All other rooms shall also be well-lighted and ventilated.

8. Every licensee shall keep the premises very clean and shall thoroughly wash or cause to be washed its flooring, every utensil and furniture at least twice daily. All metallic vessels used in the cooking or for keeping food-stuffs shall have continual lining of tin and no lead vessels of any sort shall be used.

9. The proprietor or the person in charge of an ice or aerated shop, shall provide suitable receptacles or vessels as may be required for keeping all prepared cooked food-stuffs, pastery sweetmeats, confectionery or preserved or dried or cut-fruit in such manner as to prevent their contamination by dust, flies or vermins or anything likely to affect them in such a way as to make them injurious to human health and shall keep all such articles of food in such receptacles or vessels in a cleanly or wholesome condition to the satisfaction of the President, Vice-President, District Health Officer and the Chief Officer.

10. All cups and saucers, etc., used for serving shall be sterilised in boiling water after each service.

11. There must be a separate platform with a small gradient having a cement concrete surface or Cuddapah slabs for the purposes of washing the utensils, etc., with a separate tap for this purpose.

12. All refuse and dirt in and about the premises shall be swept off and the drains well flushed and that at all times maintained in clean and tidy condition.

13. There shall be sufficient latrine accommodation and the latrine shall be kept clean and night soil covered with earth or ash and removed daily. The person in charge shall also provide and maintain in good repair and use a metallic Sanitary refuse bin with a lid which should be kept in a suitable place. He shall use this refuse bin for the storage of waste food and sweepings of the floor and empty the contents daily into the nearest dust-bin.

14. All premises and all cooked and uncooked food stuffs, vessels and furniture shall at all times, while such places are open to be inspected by the President, Vice-President, District Health Officer and Chief Officer and Sanitary Inspector or other officer authorised by the President. All directions that may be given by them in writing for securing cleanliness, light and air shall be complied with. Samples of any kind of bread or sweets or any other articles of food manufactured therein may be taken; such samples shall be examined by the District Health Officer or the District Medical Officer and if a certificate from him indicates that such sample is unfit for human consumption, it shall be evidence that it is not fit until the contrary is proved.

15. The licensee or the person in charge of the Ice or the Aerated shop, shall allow only servants who are dressed in clean clothes to attend on the customers.

16. He shall provide stock or offer for sale only such articles of food and drink, as are fresh, good, wholesome and fit for consumption.

17. The President or other officers referred to in condition 14 shall destroy or cause to be destroyed from the premises of Ice or aerated water shop, articles of food or drink which are unsound, unwholesome or unfit for human consumption and if necessary prosecute the licensee for breaking the bye-law.

18. No person shall with unwashed or unclean hands touch any articles of food or drink placed for sale.

19. All cases of dangerous or infectious diseases (such as Cholera, Plague and erruptive fevers such as Small-pox, Chicken-pox, Measles and fevers of more than 7 days duration), occuring in any Ice or Aerated water shop shall be notified to the President forthwith and also Chief Officer and Sanitary Inspector by the Proprietor or the person in charge.

20. If a case of small-pox, cholera, plague, influenza or relapsing fever occurs in or near the Ice or the Aerated water shop, the proprietor shall close the same as along as the President or the District Health Officer deems it necessary.

21. The water used for the manufacture of ice and aerated water shall be pure and shall not be carried in massacks or in any other vessels not approved of by the President or the District Health Officer.

22. The water used for the manufacture of aerated water should be filtered and the filtering vessels and materials shall be sterilised as often as is necessary and in such manner as the District Health Officer or the President or the Vice-President or the Chief Officer may direct.

23. The premises shall be kept in a state of scrupulous cleanliness and thoroughly drained off of all the water.

24. All water to be used for washing bottles shall be stored in closed iron vessels and be treated before use with permanganate of potassium in such manner as the President may direct.

25. There shall be separate tap for washing purposes with a platform having a cement concrete surface or a stone slab having a gradient which is exposed to either road side dust or other dangers of contamination.

26. The room in which aerated waters are manufactured shall be properly roofed and kept clean and in good repair, the walls shall be plastered with mortar and shall be lime-washed at least once in three months the floor shall be flaged, tiled or cemented so as to be impervious to the water and shall be properly drained.

27. No aerated waters of any kind shall be issued from the manufactory without having a proper label and mouth piece on each bottle giving full name and address of the manufacturer.

28. The table on which the customers are served shall be painted with white paints and washed with soap or soap-nut powder to remove the grease.

29. Any person guilty of the violation of the above bye-law (except the one referred to in Cl. 8) shall be punished on conviction to a fine not exceeding Rs. 20 and the breach of the above bye-laws will also entail the suspension or revocation of the license.

HYDER ALI KHAN,
President.
